Canoga Park, California 91304

APPLICANT: Same as above

The game named above is hereby granted a Certification of Permissibility for operation in New Jersey pursuant to the provisions of the Amusement Games Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This Certification of Permissibility is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the Law and Regulations, the specifications submitted by the applicant and the conditions set forth in this certification. Any modification of the specifications as submitted at the time of application or the conditions set forth herein shall immediately void the Certification of Permissibility for any game so operated.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains four pages. This is page 1 of 4.

DESCRIPTION:

Coin drop games named herein require a player to drop a coin into a container filled with water. In some of the games a whiskey shot glass is placed at the bottom of the container and the coin dropped by the player must rest in that glass for a win to occur. In other games, the water filled container has a pedestal or several pedestals, each supporting a pad at various levels in the container. The coin dropped by the player must rest on one of the pads for a win to occur. The games are manufactured with various themes and special effects. Rules of the game may vary as posted at the site of the game. Rules posted shall not be inconsistent with the conditions of this Certification of Permissibility

DEFINITIONS:

“Game board” means the whiskey shot glass, pedestal with pad or other contrivance in or upon which a coin or token must rest.

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize or other material. It does not include any pedestal or other contrivance used to support any pad or target

“Play field” shall be the area between the player position extending two (2) feet behind and two (2) feet on either side of any pedestal used for game play.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up.”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.

CONDITIONS:

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) The play field shall be clear of all obstructions.
- 3.) The play field shall be contained within the stand/structure in which the game is located.
- 4.) No merchandise shall be allowed in or around the stand/structure for display purposes only.

- 5.) All prizes displayed must be available to be won either in a single round of play or by trading up through continued play.
- 6.) A sign explaining prize category trade up requirements shall be conspicuously posted at all times during the operation of the game.
- 7.) The minimum size of a sign containing the statement required by condition number 8 of this certification shall be 8.5 inches x 11 inches. The sign shall be of professional quality and shall consist of block letters of at least .50 inches. The background and the letters of the sign shall be electronically displayed or permanently printed of contrasting colors.
- 8.) All prizes available through the play of the game shall be conspicuously displayed above the front counter height of the stand/structure.
- 9.) The maximum number of prize categories shall be six (6).
- 10.) Prize categories from the lowest to highest in values shall only be known, referred to, designated, or labeled as : Small; Medium; Large; X-Large; Jumbo or Choice.
- 11.) Prizes displayed shall be labeled to indicate prize category. Prizes shall be labeled individually or as a clearly delineated group of the same prize category.
- 12.) The maximum number of prizes required in order to trade up to the next higher prize category shall be three (3). (IE: Three Small prizes are required to trade up to one Medium prize. Three Medium prizes are required to trade up to one Large prize. Three Large prizes are required to trade up to one X-Large prize. Three X- Large prizes are required to trade up to one Jumbo prize. Three Jumbo prizes are required to trade up to one Choice prize.)
- 13.) The only denomination of coin which shall be dropped is a one-quarter dollar U. S. coin
- 14.) If air is pumped into the water filled container, the air shall be for esthetic purposes only and shall not interfere in anyway with the decent of the coin. The pressure at which the air is pumped shall not be sufficient to disturb the stillness of the water.
- 15.) Any whiskey shot glass or other similar type receptacle used as a target in which the coin must rest shall have a target area opening at least $\frac{3}{8}$ of an inch larger than the coin or token dropped.
- 16.) Each pad or other contrivance upon which a coin or token must rest shall have a flat surface, be level and have a diameter at least $\frac{3}{8}$ of an inch larger than the coin or token dropped.
- 17.) The playfield shall be filled with water only.
- 18.) No substance other than water shall be in or on any whiskey shot glass, pad or other contrivance used as a target in or upon which the coin or token must rest.
- 19.) The minimum depth of a play field shall be 10 inches. The maximum depth of a play field shall be 24 inches.

- 20.) The container enclosing the game board shall be filled with water to no less than 1 inch of its highest point.
- 21.) No pad or other contrivance used as a target upon which the coin must rest. shall be covered by less than 6 inches of water.
- 22.) The container enclosing the game board shall have a top which is securely fastened to it at all times during game play.
- 23.) The top affixed to the container enclosing the game board shall have a space of sufficient size to allow the coin dropped to pass uninhibited.

This Certification of Permissibility is not a license to operate the captioned gambling device. The game must be licensed in accordance with the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this Certification of Permissibility upon notice to the manufacturer, operator and/or applicant.
